FAIRVIEW 'A fair view of all things'

30 June 2025

Dear Fairview community

I would like to congratulate our team of students and staff who represented Fairview at the Bunbury Cross-Country event on Friday. Once again, they represented our school well with both their efforts and their behaviour. This much bigger event had over 80 students running in each event. Our kids ran with all their heart, ultimately coming second in our division. Well done on a great effort! Well done also to Ms Lasisz for her organisation of our team and her ongoing support of the Wednesday morning running club. She intends to continue this on mornings that aren't raining. So far, 80 students have participated in the running, and all together, they have run a total of just under 200km.

Circus Challenge Visit

This Thursday, all students are invited to participate in our Circus Challenge Day. We are very fortunate that the P&C are covering the cost of this day, so all children can participate at no cost. Thank you to our P&C. This is one of the things that our P&C do to support your children.

On Thursday, The Circus Challenge team will be putting on a show for the whole school, starting at 9:00 am. Kindy kids who don't usually attend on a Thursday are welcome to attend the show and the following circus skills workshop. After the show, there will be workshops for all students.

Show and Workshop Schedule	
9:00 – 9:45	Whole school show
9:50 – 10:50	Kindy, Pre-primary, Year 1 workshop
11:10 – 12:10	Room 12 and 13 workshop
12:10 – 1:10	Room 3 and 4 workshop
1:50 – 2:50	Room 6 workshop

We are all really looking forward to this event and the new skills that our students will learn. Students are encouraged to wear colourful clothes on Thursday. Please make sure they are warm enough and that the clothing is appropriate for school.

End of Term Assembly, Open Classrooms and Reports

Our end of term assembly is on this Wednesday after lunch. Mrs Francis's students from Room 12 will be leading our assembly. To help celebrate our term, we are combining our family picnic lunch, assembly, open classrooms and reports.

All families are invited to come and have lunch with their children on Wednesday. Lunch is at the normal time of 1:10. After lunch, you are welcome to join in kicking a footy or playing four square with your kids. Make sure you find out their rules because they are very different to when I was in school! Parents are also welcome to order their lunch through the canteen.

After lunch is our assembly and all families are invited to attend.

At the end of the assembly, families are invited back to the classrooms where students will have their semester's work on display and can go through some of it with you. This will be a great opportunity for you to see how much progress they have made over the year so far.

Semester 1 reports can be collected at this time. There will be limited opportunity to talk to the teacher about the report at this time, but please take the opportunity to organise a meeting if this is something you would like to do.

Fairview P&C

Our P&C is a group of hardworking parents who are doing a great job to support every child in the school. From working in the canteen or organising fundraising, to running a Nitz-Blitz or doing a grant application, there are many roles that people can help with. Many families support the P&C by ordering lunches on a Wednesday or Friday. Often there are over 80 orders! This is quite an overwhelming number for Lisa who is sometimes the only person in the canteen. We have a small group of parents who volunteer to help in the canteen. We are always looking for more people to help. Even an hour before the lunch rush would be valuable. This is often the most difficult time, trying to get the hot food into bags so it is still hot and making sure all the orders are correct. Lisa would be more than happy to have some help and will show you what needs to be done. If you have the opportunity to help, please let Lisa know at the canteen.

Musician in Residence

We are very please to announce we have just been offered a Musician in Residence for Term 3. Each Wednesday, a Collie musician Kate Hindle, will be coming to school to work with our students in Years 3 to 6 on song writing. Over the term, the students will learn about songwriting, eventually writing their own songs. We are hoping that from this we will get a new school song that we can all learn and sing at our assemblies. We are fortunate that WAM – WA Music and the Telethon Kids Institute are supporting this program and making it available to Fairview students. Towards the end of the term, there will be a concert that highlights both Kate's music and the songs created by some of our students.

2026 Enrolments

We are still taking enrolments for Kindy in 2026 as well as all other years. All children enrolled for Kindy in 2026 will be eligible to attend a Kindy transition program run by Mrs Hindle. This will start in Week 4. Families with children enrolled will receive an invitation early next term.

Holiday Reading

The holidays are nearly here. Our students and staff have worked hard and all deserve a break. If your child enjoys reading, please encourage them to take extra books out of the library. The library will be open on Wednesday and Thursday this week. Towards the end of the holidays, the Paint Collie REaD mascot is going to hatch! The launch is on Thursday 17 July from 10:00 to 12:00 at Roche Park. It would be great to see our families come along and be part of this fantastic reading support program.

School begins again on Monday 21 July. There is no School Development Day. Kids start straight away. Our Term 3 School Development Day is on Friday 22 August. I look forward to catching up with you all again next term. I hope you all have a safe and restful break.
